

Honda EU6500is Generator

6500 watt super quiet inverter generator
Super Quiet Operation - Fuel Efficient - 100% Clean Power Output

- 6500 watts max.
- Eco-Throttle equipped (will run exactly as fast as needed for load)
- iMonitor Equipped
- Starter: Electric with Recoil back up
- Folding Handle and 2 wheel kit
- Noise level: **52-60 dB** (1/4 load & Rated load) 60dB is normal speech!
- Weight: Around 253 lbs. Dry
- Fully enclosed with triple chamber design

. The Honda EU6500is is the first full super quiet inverter generator with 220V output from Honda. It provides 6500 watts of super clean pure sinewave power with a noise level perfect for the campsite or neighborhood.

The EU6500i should provide more than enough power for even the most demanding RV or 5th wheel campers. It will most likely even handle your dual RV air conditioners.

For home back up users, the EU6500i should cover all of your normal household needs while providing enough power for large start up loads such as 220V well pumps.

Scroll down for more details and specs.

The EU6500*is* maintains the impressive rating of 60dB (less than that of common speech even at rated load), and it will run for up to 14 hours on a single tank of gas when used with the Eco-Throttle feature. This impressive generator provides 6500 watts of power and weighs only 253lbs. The Honda Inverter Technology makes this generator ideally suited for use with sensitive electronics (e.g., computer, fax, printer, telephone, stereo) because the generator produces a clean sine wave of energy that results in no surging. To prevent any possible damage to the unit, the Oil Alert will shut the unit off when the oil drops below a safe operating level. The available power is commonly used for the

EU6500ISA Features & Benefits

- Honda Overhead Valve Engine
- Lightweight and Compact
- High Quality, Stable and High Power Output
- Quiet Operation
- Low Fuel Consumption
- Oil Alert®
- Electronic Ignition
- Electronic Circuit Breakers
- i-Monitor
- 120/240v Selector Switch Inverter (Computer Friendly)
- USDA-Qualified Spark Arrestor/Muffler
- EcoThrottle™(load dependent operation)
- Battery Standard
- 2 Year Residential Warranty
- 1 Year Commercial Warranty

EU6500ISA Specifications

Engine	13 HP, Single Cylinder, Overhead Valve, Air Cooled
Displacement	389 cc
AC Output	120/240V 6500W max.(54.1/27.1A) 5500W rated (45.8/22.9A)
Receptacles	C,F,H
DC Output	N/A
Starting System	Recoil, Electric
Fuel Tank Capacity	4.5 gallons
Run Time on One Tankful	4.7 hrs. @ rated load 14 hrs. @ 1/4 load
Dimensions (L x W x H)	33.5" x 26.4" x 27.5"
Noise Level	60 dB(A) @ rated load
Dry Weight	253 lbs.
